

Bachelor of Arts Degree-Statistics

120 credits needed to graduate

Minimum 2.0 overall GPA

Minimum 2.0 GPA across STT Courses

University Requirements

- _____ WRA 1**[4]
- _____ IAH 201-2_10[4]
- _____ IAH 211 or higher[4]
- _____ ISS 2**[4]
- _____ ISS 3**[4]

Natural Science Requirements

- _____ PLB 105[3] or MMG 141[3]
or ENT 205[3] or PSL 250[4]
or BS 161[3] or
or IBIO 150 [3]
- _____ CEM 141[4] or CEM 151[4]
- _____ Lab: PHY 251[1] or CEM 161[1]
or PHY 191[1] or PLB 106[1]
or BS 171[2]
- _____ PHY 183 [4] or PHY 231[3]
- _____ 6 credits in courses in the arts
and humanities, or the social,
behavioral, and economic
sciences Beyond Integrative
Studies
(see back page)

Statistics Requirements

- _____ MTH 132[3] or LB 118 [4]
- _____ MTH 133[4] or LB 119 [4]
- _____ MTH 234[4] or LB 220 [4]
- _____ MTH 299[4] or 317H [4]
- _____ MTH 309 or 314[3] or 317H [4]
- _____ CSE 231[4] or CMSE 201[4]
- _____ STT 180[4]
- _____ STT 441[3]
- _____ STT 442[3]
- _____ STT 481[3]
- _____ STT selective [3] (see below)
- _____ STT selective [3] (see below)
- _____ STT selective [3] (see below)
- _____ Approved selective [3] (see below)
- _____ Approved selective [3] (see below)

STT Selective: EC821A, EC821B, EC822A, EC822B, STT422, STT455*, STT456*, STT459*, STT461, STT464, STT465, STT801, STT802, STT814, STT825, STT843, STT844, STT847, STT863, STT864, STT886, STT888 STT875, STT866.

*Note: any two of three courses among STT 455, 456, 459 can be used as selective but not all three.

Selective approved by STT advisors: any course from STT electives above not used to fulfil that requirement, except STT455, STT456, STT459; MTH 235 or any MTH3** or MTH4**; CSE232, CSE260 or any CSE3**; CMSE 202 or 381 or 382 or 4** courses in applications of statistics and probability. (Check with STT advisor for approval to take any course towards your approved Selective not clearly listed here.)

Advisor: Leonard Johnson (john2772@msu.edu)

6 credits from beyond Integrative Studies

(Applies to BA students only):

For this requirement, you may take any course in any department in the College of Arts and Letters (CAL) or the College of Social Science (CSS) which is not used for your University requirements (the WRA 100-level, ISS and IAH classes).

Choose from the following departments:

CAL

Art, Art History, and Design

English

Linguistics and Germanic, Slavic, Asian, and African Languages

Philosophy

Religious Studies

Romance and Classical Studies

Theatre

Writing, Rhetoric, and American Cultures

CSS

Anthropology

Criminal Justice

Economics

Geography

Global and Area Studies

History

Human Development & Family Studies

Human Resources & Labor Relations

Interdisciplinary Studies in Social Science

Political Science

Psychology

Social Work

Sociology

Urban & Regional Planning

The Residency Requirement:

-At least 30 of the credits you use for your degree must be taken at MSU.

-At least 27 credits must be taken at MSU after you reach junior standing (56 credits).

-At least 20 credits must be taken at MSU while you are admitted to your major.

-At least 20 of the last 30 credits you use for your degree must be MSU courses.

-Once a student reaches 56 total credits(including courses taken at MSU and transfer courses), transfer courses from Community Colleges are not accepted (but transfers from 4-year institutions are still acceptable).
